Post-Event Community Video

Earlier this year we created a community video to be played at the conclusion of stadium events on our Samsung Superscreen – the largest screen in the country! The initiative features neighbours, local schools and members of our event team who give tips on arriving at and departing Eden Park, and promotes our local businesses for pre- and post-hospitality. You can [check out the video here](#) and we'd like to say a big thank you to those who took part.
