#StandAtDawn – our Anzac tribute

In an initiative sparked by a local Scouts group who usually celebrate Anzac Day together, a representative from Eden Park's nearby Scouts group will play 'The Last Post' solo at dawn on the hallowed turf as a tribute to those who have served Aotearoa. This will be live streamed on

Stadium Glamping wins international award

We're thrilled to share that Eden Park has won an international 'Product Innovation' award at TheStadiumBusiness Awards for its Staydium Glamping experience. The Park was competing against global brands in the United States including the Staples Center (home of the Los Angeles Lakers), the Chase Center (home of the Golden State Warriors), the Golden1 Center (home of the Sacramento Kings) and Levi's Stadium (home of the San Francisco 49ers).

Staydium Glamping began in July 2019 after the venue identified spaces around the facility that could be utilised for new concepts. Two custom-designed domes sit in the north-eastern corner of the 117-year-old stadium and overlook one of the world's most famous playing fields.

To celebrate the win, we're offering special pricing of \$199 per night and vouchers for future use can be purchased [here](#).
