Blues v Chiefs

The Blues return home after a tough few weeks on the road so it should be a happy homecoming against the winless Chiefs this Sunday. We await news on whether Hoskins Sotutu will play this weekend after injury but seeing Akira Ioane being back to his abrasive best has been fantastic. Another question mark is whether TJ Faiane will be starting in the midfield again after Harry Plummer did not take his chances against the Hurricanes.

Kick off is at 3.35pm and we have 100 tickets up for grabs and each household is entitled to two tickets, first in first served. As usual, we'll be here from 7am tomorrow at Entry G reception (limited to two tickets per household in The Hood). This weekend's Traffic Management Plan can be [viewed here](#).

Please note: Morningside Urban Market Garden is raising funds for permanent fencing around their garden next to the cricket nets by Sandringham Road. There will be a local representative on site tomorrow morning to answer any questions you have about the Garden and it would be appreciated if you could make a donation to this fantastic cause.

Our Traffic Management contractors will be in attendance at the ticket giveaway to answer any questions you may have around TMPs and access during stadium events.
