Blues v Crusaders and Alert Level 3

As you may know, Eden Park was due to host its final Super Rugby Aotearoa match of the season this Sunday between the Blues and the Crusaders. Given Auckland is now in Alert Level 3 due to community transmission of COVID-19, we are awaiting advice from Government and New Zealand Rugby as to whether this match can proceed. Most of our workforce is currently working from home however a skeleton group of staff remain onsite for essential work as permitted. Government regulations are being followed in regard to COVID-19 measures and PPE, and any contractors onsite for essential work must also adhere to PPE requirements.
