Resource Consent Hearing

Today is the last day to advise Auckland Council if you wish to speak at the hearing for Eden Park's resource consent application to host up to six concerts a year. The hearing will be held from 2-6 November in front of three independent commissioners at the Town Hall.

If you submitted, you should have heard from Council asking you to confirm your interest, or not, in appearing at the hearing. It isn't an adversarial process but rather a chance for people to share their opinions one-on-one with the

commissioners who want to ensure everyone's views are expressed and the hearing is comprehensive.

If you have misplaced the email, you can [complete the appearance form here](#) and send it to bevan.donovan@aucklandcouncil.govt.nz. Bevan is also contactable on (09) 890 8056 if you need assistance. Council will then schedule a brief slot for you to appear and be part of the hearing.

We encourage you to consider participating to ensure that a fair representation of the neighbourhood's collective voice is heard. If you haven't been part of this type of process before, and have questions, please [get in touch](#) as we'd be pleased to provide an overview of the process and what to expect.

Thank you to everyone who had their say during the process.

Dog Walking Club

A special thank you to everyone who joined us for the launch of the Eden Park Dog Walking Club last week. The community initiative saw 140 little paws journey around the stadium with their owners!

Friends were made, [Tu Meke Friend](#) treats were consumed and guests were able to snap a selfie with famous US-based artists [Gillie and Marc's](#) Big Boy sculpture thanks to our friends at [Flagstaff Gallery](#).

We look forward to sharing details of our next event soon.
