### **Eden Park's money-CAN-buy cricket experience**

Have you ever dreamt of being a cricketing legend and walking out onto the turf at Eden Park to bat for your team? Now you can by bidding on our TradeMe [auction](#)!

New Zealand's national stadium is giving Kiwis the chance to have a match of cricket on the exact wicket the New Zealand and Indian international teams will play on this Friday.

The experience will include four hours of access to the hallowed surface for a T20 cricket match on an international standard wicket prepared by Eden Park's award-winning turf team. It doesn't end there – players will have the chance to take a break in the official changing rooms and form their winning game plan. Want to see your name in lights? Eden Park will also throw in the use of super screens and LEDs to ensure a real match-day experience.

It wouldn't be a complete Eden Park experience if there wasn't great food and beverages available, so we'll make sure our chefs are ready to fix your hunger (with a \$2000 Food & Beverage voucher included) after you've belted sixes all afternoon.

Make a memory to last a lifetime!

What: Your chance to play on Eden Park's hallowed turf

When: Saturday 9 February, 1-5pm  
Where: Number One Field, Eden Park  
Who: Your team!
