'Together' – Auckland's Remembrance for Christchurch

On Friday Eden Park hosted Auckland's remembrance for Christchurch, simulcasting the service at Hagley Park, and holding its own formalities including the call to prayer, along with speeches from the Mayor and Sonny Bill Williams, and a performance by Dave Dobbyn.

After such tragic circumstances, Friday's service was another poignant and memorable moment in the Park's 116-year history and we are proud that we could deliver the service under extraordinary circumstances.

Traffic Management

We understand there were challenges regarding the traffic management plan in place on Friday and would appreciate [any feedback you have](#). This will be passed on to Auckland Transport.

Film Production Traffic Management

Tomorrow 2 April there will be a limited traffic management plan in place around Walters Road and Cricket Ave. This amounts simply to stop/go zones at certain times of the day and there will be no parking restrictions at all. You can view [more information here](#).
