Reminder - Community Compost and Coffee Morning this Sunday

This Sunday is our Community Compost and Coffee Morning, where locals can take home their own complimentary bag of compost plus enjoy coffee and treats from local suppliers – as well as being one of the first to taste Eden Park's very own honey!

As the country's largest stadium, we're committed to exploring ways in which we can reduce our impact on the environment. Solely compostable packaging can now be found in all corporate hospitality areas and corporate suites throughout the stadium which includes Eden Park's custom-made compostable water bottle. Read our media release on our sustainable initiatives [here](#).

You're invited to come down with your families on Sunday 30 June between 9.00-11.00am to enjoy:

- Complimentary compost* – BYO sack or carrier (limited prefilled sacks available)
- Tasting of the inaugural Eden Park Honey batch
- Coffee provided by local purveyors [Ozone](#)
- [I Love Pies](#) and [Proper Crisps](#) treats for devouring

Entry is via Gate J, off Reimers Avenue, where parking is available outside. Limited to one sack per household.

Traffic Management Summit

Our team is continually looking for ways we can improve our processes and reduce

the impact of events on our local community. We'd like to invite you to our Traffic Management Summit to further engage in an open forum on questions and feedback around traffic management and parking.

We welcome all those who live, work and own businesses near the stadium to join us to discuss all things transport related. Auckland Transport representatives will also be in attendance.

Saturday 6 July

11.00am-1.00pm

Eden Park, Centenary Lounge, Level 5

Please enter via Entry G reception, off Reimers Avenue – parking available here

Light refreshments provided
