Reminder: Traffic Management Summit – tomorrow!

Our team is continually looking for ways we can improve our processes and reduce the impact of events on our local community. We'd like to invite you to our Traffic Management Summit tomorrow to further engage in an open forum on questions and feedback around traffic management and parking.

We welcome all those who live, work and own businesses near the stadium to join us to discuss all things transport related. Auckland Transport representatives will also be in attendance.

Saturday 6 July
11.00am-1.00pm
Eden Park, Centenary Lounge, Level 5
Please enter via Entry G reception, off Reimers Avenue – parking available here
Light refreshments provided

We look forward to connecting with you!

Eden Park Honey

It was great to see some of our locals come down last weekend to our Community Compost and Coffee morning – we hope you enjoyed being part of our first steps towards stadium sustainability and tasted some of the treats on offer (and took home some compost!).

If you missed the media coverage on our sustainability mission you can watch the 1 News story [here](#).

Eden Park Honey is now for sale at Entry G Reception for \$12 and we have 20 jars to giveaway to members of The Hood. To be in to win, email info@edenpark.co.nz by 9.00am next Monday and tell us what blend of honey we have created.

A clue can be found in [Stuff.co.nz's taste test](#) of our inaugural batch of honey.
