NZ Police Firearms Amnesty at Eden Park - Sunday 15 September

The Arms (Prohibited Firearms, Magazines, and Parts) Amendment Bill seeks to amend the Arms Act 1983. It aims to tighten gun control to increase the safety and security of New Zealanders.

The bill recognises the harm that results from the misuse of semi-automatic firearms. To remove these sorts of firearms from circulation and use by the general population in New Zealand, the bill proposes banning semi-automatic firearms, magazines, and parts that can be used to assemble prohibited (banned) firearms.

In order to facilitate this Eden Park is hosting the Police in the West Lounge this coming Sunday 15 September. Members of the public will park onsite and enter through Gate J (between the main and outer ovals) and surrender their firearms in the West Lounge.

There will be armed police officers at the gate entry and roaming in the venue carparks, please call the Eden Park hotline 09 815 4820 if you require any assistance.
