### **T20 Hearing**

A special thank you to those residents who attended last week's T20 hearing at Auckland Council. Should the resource consent application be approved, we intend to create a celebration of Indian sport, culture and cuisine around the January 26 fixture. This event is scheduled to align with India's Republic Day and the Sunday of Auckland Anniversary weekend, with Monday being a public holiday. It was pleasing to see a number of our local residents attend the hearing and speak about their relationship with Eden Park. We'd also like to thank those who made a submission in support of this event. We look forward to welcoming as many fans as possible through the gates, including those from Auckland's thriving Indian community, to create a real festival of cricket atmosphere.

The match is subject to resource consent as Eden Park currently cannot hold night-time fixtures on a Sunday.
