Blues v Chiefs

Super Rugby returns this Friday, 31 January - the earliest start to a rugby season ever!

The Blues have a number of new players, with Kurt Eklund, Tony Lamborn and Mark Telea expected to start.

There is no room in the centres between England import Joe Marchant and TJ Faiane for Rieko loane so he will start his 50th match on the wing.

We have 100 tickets up for grabs, first in first served. As usual, we'll be here from 7am tomorrow at Gate G reception (limited to two tickets per household in The Hood).

The Auckland Transport resident-only parking scheme will be in place for Friday. You can view more information [here](#).

ICC Women's Cricket World Cup

After delivering several successful World Cup events, Eden Park is proud to be hosting the ICC Women's Cricket World Cup next year as part of its commitment to women in sport. The 2021 tournament will be hosted across the country with a memorable opening weekend due to be held at Eden Park.

Chief Executive Officer Nick Sautner says a focus on further promoting women's sport demonstrates a step change in trends and consumption. "Prime Minister Jacinda Ardern visited our stadium in 2018 to share her Government's strategy on supporting women and girls in sport. It's clear that Aotearoa is home to some exceptional athletes and New Zealand's national stadium is committed to playing its part in providing a platform for all women to perform."

2021 is set to be a blockbuster year for Auckland with the 36th America's Cup, while Eden Park hosts events such as Te Matatini; the festival of Kapa Haka, the ICC Women's Cricket World Cup 2021, Rugby World Cup 2021 and further events yet to be announced.
