### **Traffic Management Summit**

We have secured a date for the next Traffic Management Summit where representatives from Eden Park, Auckland Transport, and Evolution (traffic management) will be in attendance.

We continue to look for ways to work alongside our local community and improve our processes, and therefore welcome your feedback. The event is intended to be a forum to discuss all things transport related and is an open invitation to all those who live, work and own businesses near the Park.

Wednesday 9 December  
6.00-7.30pm  
Eden Park, Entry G reception, off Reimers Avenue (parking is available here)  
Light refreshments provided

Please [RSVP here](#) with your attendees by 2 December.

### **Can your kids help with our corporate Christmas cards?**

We're looking for help from the young people in our neighbourhood to create our annual Christmas cards! If your kids are creative and would like to take part then we'd love them to draw their interpretation of Eden Park in the local community. Please ensure a name and age is included on their artwork and [email it to us](#) in high resolution by 2 December, and we'll select the three most creative designs.

### **Mitre 10 Cup**

Auckland take on Waikato this Saturday in the semi-final of the Mitre 10 Cup. Waikato found the Kaikohe cauldron too much last week and fell apart

against a dominant Northland team. We'd expect a much different team to turn up this weekend but Auckland should be equal to the task, having defeated them earlier in the season.

Please note there is no Traffic Management Plan/Resident Only Parking. We have 100 tickets up for grabs, first in first served. As usual, we'll be here from 7am tomorrow at Gate G reception (limited to two tickets per household in The Hood).

Gates open: 12.30pm

Kick-off: 2.05pm
