If we were asked what 2020 had planned for the stadium, we would have anticipated a blockbuster schedule of events from domestic and international rugby, to rugby league, cricket, football and a range of community events. Like all Kiwis, we never imagined the challenges we would be faced with, and the fact that the global stadia industry would be in crisis as a result of COVID-19. However, if anything, this past year has confirmed the crucial role that live sport and entertainment plays in shaping communities. Despite our event calendar looking very different to previous years, we have still witnessed unforgettable sporting moments, hosted significant national occasions, and marvelled at the support from our whanau and member community.

We have already seen success in 2021 with the arrival of our new surface: HERO Hybrid Grass Eden Park Edition, our new Samsung Super Screen which provides more than 330m² of cutting-edge technology and of course the granting of our resource consent application to host up to six concerts a year. As a member, we are pleased to offer you access to priority bookings for concerts.

There is plenty on the horizon as well as music at our 118-year-old venue, and we are thrilled you'll be joining us to witness a range of international cricket with the BLACKCAPS facing both Australia and Bangladesh, and WHITE FERNS contesting both England and Australia, a jam-packed Blues season and September's Rugby World Cup 2021 competition.

Events at New Zealand's national stadium have the power to rebuild both business confidence and social wellbeing as we work to restore our economy over the coming years. As always, we welcome your feedback on our membership programme and our team is available should you require assistance throughout the season.

Thank you once again for your ongoing loyalty while we have navigated this unprecedented chapter in history together. Our team is committed to emerging stronger and continuing to deliver more unforgettable events for you at New Zealand's national stadium.

THE SEASON AHEAD

that the New Zealand public has the opportunity to see the All Blacks play international teams throughout the year. We anticipate that an announcement regarding the touring teams will be made in the next few months. As with all international sporting teams at the moment, the logistics of entering the country are significant but last year Eden Park hosted a sold out All Blacks v. Wallabies match in October with less than 10 days' notice so we are confident that we will be ready for any eventuality!

The Mitre 10 Cup games lifted in popularity last season and although the first two games were played under Alert Level 2 regulations, the remaining matches were well attended with Auckland finishing top of the table and hosting both the Waikato semi-final and the final against Tasman. Although Auckland fell at the last hurdle to be beaten 13-12 and see Tasman raise the Trophy, it was again great to see the crowds attending afternoon rugby at Eden Park. The format for the 2021 NPC has yet to be confirmed but we understand that some form of Conference Competition will be introduced – focussing on the rivalry between the North and South Islands.

The Farah Palmer Cup, the national women's rugby competition saw the Auckland Storm reach the semi-final where they were beaten by Canterbury – the eventual champions. In previous years the competition was divided into the championship and premiership divisions but in 2020, it was altered and was played in two pools split geographically between North (seven teams) and South (six teams) Islands. A single round robin series is played in each pool with the top two teams from each pool taking part in crossover semi-finals with the final being held a week later.

Domestic cricket continues to be played on the Outer Oval with the T20 games consistently attracting crowds of around 5000. Most of these games are double headers featuring the Auckland Hearts and Auckland Aces. The Outer Oval is a great place to watch cricket with its county cricket club atmosphere! The Hearts narrowly missed out on a place in the semi-final in their T20 competition and, while the Aces struggled at the beginning of the season, they seemed to come back into form at the tail end of their season – hopefully in time for the Plunket Shield and Ford Trophy matches.

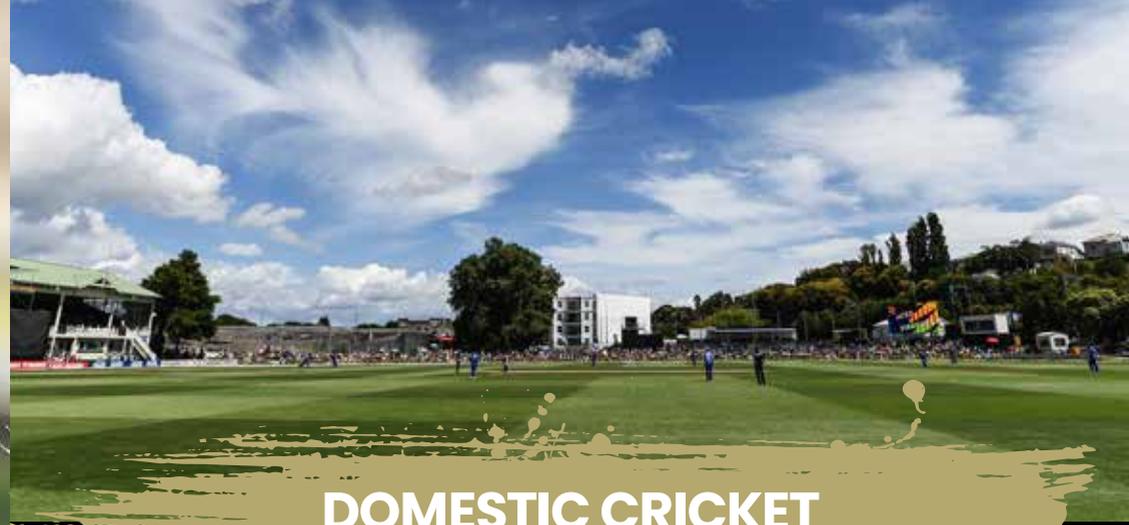

Following on from the challenges of 2020, the 2021 season of sport at Eden Park is shaping up as one of the busiest – especially during the first few months! The BLACKCAPS, currently ranked the number one test team in the world, will play T20s against Australia and Bangladesh in March and April. Immediately prior to the games will see the WHITE FERNS play England then Australia before the Bangladesh match. The popularity of women's cricket has increased significantly in recent years and it will be great to see the women playing on the Number One Ground in front of a sold-out crowd!

Another full round of home and away games against the four New Zealand franchises. These games have soared in popularity – especially with the change to Sunday afternoon kick-offs! The Sunday afternoon matches have encouraged families with youngsters to attend and last season three of our games saw crowds of more than 30,000 attending. We are set for this to continue in 2021 with the first two games in March against the Highlanders and Crusaders being played mid-afternoon.

In May, the second half of the Super Rugby competition is scheduled to begin with games against Australian teams but with uncertainty around the trans-Tasman bubble, consideration is being given to a further round against the New Zealand franchise teams. These details will become clearer as the year progresses.

New Zealand Rugby has advised that Eden Park will host at least two All Black matches this season but the dates and opposition have yet to be determined. New Zealand Rugby, working closely with the New Zealand Government, is determined

DOMESTIC CRICKET

Plunket Shield

In the four-day competition responsible for producing New Zealand's test cricketers, Auckland currently sits in third position, having had the misfortune of missing an entire match due to an unsafe outfield in a match against Central Districts in Nelson. With four rounds to go there is every chance of them challenging for the win this season but with Canterbury sitting pretty in first, 20 points ahead of second, there is a bit of work ahead of them.

Hallyburton Johnstone Shield

The Hallyburton Johnstone Shield is the women's 50-over tournament and the Hearts sit third with four rounds to go. Two of these rounds run on the Saturday and Sunday 13-14 March at the Outer Oval – a festival of cricket!

Ford Trophy

The List A (domestic 50-over) competition has the Aces second from bottom ahead of the Stags with four rounds remaining. The BLACKCAP-laden Northern Districts sit at the top of the table and are unlikely to relinquish their hold but in this format there are finals so if the Aces can climb the table they have a chance of taking the top spot.

Dream 11 Super Smash

The Hearts made it into the Elimination final of the Dream11 Super Smash, missing out on the direct final by a whisker on net run rate. Although they were knocked out by the Wellington Blaze there were some fantastic performances, with a maiden WHITE FERNS callup for Fran Jones.

This was a season to forget for the Aces, despite having a number of big names but this is the nature of T20 cricket. Having taken a while to get going they left their run too late, despite some good individual performances throughout the competition

PARKING

Onsite parking

All vehicles parking on site must display the relevant parking permit for the relevant match. The parking permit must be displayed clearly on the dashboard of the vehicle. Entry to onsite parking for all matches is via Walters Road (off Dominion Road). Please note that the onsite parking areas will be closed prior to the end of the fixture for a period of up to one hour to allow the pedestrian traffic to clear.

Kowhai School parking

Annual parking permits are available for Kowhai School at a cost of \$250 for the 2021 season. This allows parking for most scheduled cricket and rugby fixtures and is approximately a three-minute walk from the North Stand. Please note that parking at the school is on the grass fields and it is sometimes necessary to close the fields due to inclement weather. If Kowhai School is closed, this information will be posted on edenpark.co.nz/membership/member-info and we will also endeavour to email you in advance. However, we strongly advise checking the website as Auckland weather is notorious for being unpredictable!

If you wish to purchase an annual parking permit for Kowhai School, please contact Lian Tetley on LTetley@edenpark.co.nz

Public transport

Getting to the stadium is quick and easy when using public transport with a number of train and bus services available for most matches. Services are often free when showing your membership card or match ticket. Details regarding services that are available for each game are available on edenpark.co.nz/game-day-information.

Mobility parking

For most matches at Eden Park, mobility parking is available in Cricket Avenue. To access this area, you must have a current mobility pass which must be clearly displayed on your dash board. Entry to Cricket Avenue is via Walters Road off Dominion Road. Our road service crew and security staff will be on hand to assist and direct you to the relevant parking areas.

WOMEN IN SPORT

Eden Park is set to host three World Cup events in the next three years, Rugby World Cup 2021, the ICC Women's Cricket World Cup 2022, and the FIFA Women's World Cup 2023.

These events at New Zealand's national stadium offer a platform to demonstrate a commitment to equality in sport. It's our aim to ensure that all athletes are provided with world-class changing rooms and feel comfortable in all aspects of the stadium's design, including gender appropriate facilities.

Eden Park opens with a Rugby World Cup 2021 triple header on Saturday 18 September where our world champion Black Ferns will take on Australia. Eden Park will then host the semi-finals on Saturday 9 October, plus the bronze final and RWC 2021 final on Saturday 16 October.

The ICC Women's Cricket World Cup was originally scheduled for February/March 2021 but was postponed due to COVID-19 with the 30-day, 31-match schedule now locked in for March 2022.

The FIFA Women's World Cup 2023 will be jointly hosted by Australia and New Zealand during a reserved period in the FIFA Women's International Match Calendar between 10 July and 20 August 2023.

NEW TURF

In December 2020 Eden Park's 17-year old surface was removed to make way for a new HERO Hybrid Grass Eden Park Edition turf which was installed in early February after being cultivated at the stadium's Turf Farm in Karaka over 10 months.

The perennial ryegrass turf had felt the effects of global events at the Park including the 2005 and 2017 British and Irish Lions Series, the first-ever T20 international match in 2005, the 2011 Rugby World Cup, 2015 Cricket World Cup, countless Bledisloe Cup clashes, as well as Auckland Rugby and Blues matches. The iconic ground is commonly referred to as 'The Fortress' with the All Blacks remaining unbeaten on the old Eden Park turf.

Eden Park members and fans were offered the opportunity to purchase a slice of history. Check out the photos of Eden Park's turf in its new homes:
