Rugby World Cup 2022 on sale

Women's rugby fans showed their excitement for Rugby World Cup 2021, playing in New Zealand in 2022 as the unique Mastercard RWC 2021 tournament pass offering sold out in just minutes.

In response to the huge demand for tickets, New Zealand Rugby have confirmed that RWC 2021 Opening Match Day Passes will go on sale on Monday 1 November at 09:00 NZT [here](#).

With a goal set to sell out Eden Park on the opening day of the Rugby World Cup and set a new attendance record for women's rugby, tournament organisers are calling on fans to secure their tickets early and play their part in making Rugby World Cup history on 8 October, 2022 in New Zealand.
