Eden Park partners with Wet & Forget

We are pleased to announce we have partnered with the iconic NZ-owned Wet & Forget to get our outside hard surfaces looking like new again.

Keep an eye out for the amazing transformation to come - in the meantime see some of the results already below.

No scrubbing! No water blasting! No Stress! Simply Wet it and Forget it!

Introducing Morningside Urban Compost Kitchen

Our friends at Growspace have launched Morningside Urban Compost Kitchen (MUCK) at Eden Park. Some of you may have seen the compost hub being operated behind the North Stand; this takes care of all Eden Park's kitchen waste and it is now available to take care of yours! Save your kitchen scraps in a caddy and either drop them off or have them collected, and you'll be helping close the loop as it transforms into compost. [See more info here](#) or visit growspace.org.nz.
