

The Powerade G9 is back for another year!

This unique event transforms Eden Park into a 9-hole golf course, offering up to 1,600 fans the chance to tee off from the top of the east stand, sink a putt in the team changing room and if they're skilled enough, hit a hole in one on the hallowed turf for the chance to win \$500,000 in cash thanks to our partner Donaldson Brown Insurance Brokers.

In addition to the cash prize, Eden Park membership for 2022 will be awarded to the overall winner and team winner. Like previous years, players can purchase the 'golden ball' which provides them extra balls to use in a second attempt on four holes to better their score. Tickets are available for public sale [from Ticketek](#).

Traffic management on Cricket Ave for crane lifts

There will be traffic management on Cricket Ave on Thursday and Friday, 2 and 3 December, and Monday 6 December, with traffic reduced to one lane and a pedestrian diversion in place. This is to accomplish the next phase of heavy crane lifts during the construction of the acoustic barrier above the east stand. If you have any questions or issues relating to this activity, please feel free to contact the hotline on (09) 815 4820.

Taggers caught at Eden Park

While our onsite guard was on duty in the Asset Protection Unit office around 2.30am last Thursday, he noticed a car in Cricket Ave with a few young lads in it. Thinking it seemed a bit off, he continued observing them on the cameras, eventually seeing them scale a wall to get onto the stadium's grounds. He made the right decision to call the police, as shortly before their arrival the two lads began to graffiti part of the stadium. The police were able

to come and arrest them onsite and they will now be prosecuted using our footage as evidence.

This is a wonderful example of how the diligence and vigilance of our Asset Protection Unit officers can go a long way to protecting our venue and the community.
