### Update on Events at Eden Park

The news from the Government today means crowds can return to events at Eden Park. We have a great lineup of sports fixtures and concerts planned at our iconic stadium including the Super Rugby Pacific game between the Blues and Moana Pasifika on April 2.

We have a range of options to host small or large events such as the famous Art in the Park show which takes place in September this year.

Eden Park would like to acknowledge its teams, partners, suppliers, members and community who have supported the venue through this unprecedented period in our history.

Now it's time to shine and create more memories for fans of all generations.

### Fire alarm testing

Eden Park will be conducting fire alarm testing between 7.40am and 8.10am on Tuesday 29 March. There will be a maximum of three sounder tests within the Samsung (South) Stand only.
