Subject: The Hood - School ball season

To:

Eden Park is thrilled to be hosting a wide range of sporting fixtures, community events and functions, including the final of the Super Rugby Pacific competition this Saturday. You will receive further information on ticketing for this on Friday.

With school ball season upon us, a number of secondary schools have requested to hold their annual senior ball at Eden Park and it's great these special events, which are the highlight of the school social calendar, can now go ahead.

As with all our events, the Eden Park team is working closely with our function personnel and security teams to ensure each school ball function runs smoothly and has the required supervision and staff. Our events team is also meeting with the principal, senior leadership team and organisers from each school to agree on the event protocols and expectations for the students as they arrive and depart from Eden Park.

In addition, this year we will be providing event information to the Auckland Police control centre who also have real-time access to the cameras located in our carparks and surrounding areas.

If you have any questions or concerns during these events and any other events held at Eden Park, you are welcome to contact our dedicated hotline on 09 815 4820. As a reminder, our Hood community Facebook page is not monitored regularly outside of business hours and is not the appropriate channel for sharing queries or concerns about an event. Please use our hotline number in this instance.
