Wellington Phoenix v Western Sydney Wanderers

The Wellington Phoenix have returned to New Zealand after spending two years playing in Australia and, although their first home game in 322 days did not go as well as expected, we are looking forward to a great crowd and a rejuvenated team at Eden Park on Sunday.

Gates open at 1.30pm, with kick off at 3.05pm. If you are keen to come, 100 tickets will be available from Entry G reception from 9.30am Sunday on a first in, first served basis. Tickets are limited to two per household in The Hood.

There will be a Traffic Management Plan in place for this fixture which can be [viewed here](#).

Berm parking enforcement

We are aware that non-residents parking their cars on berms has been an issue from time to time. You may be aware that Auckland Transport does not have the power to tow cars from berms unless there's 'No Parking off Roadways' signage in place (you may have seen these signs around the Morningside precinct).

We know that some residents use their berm to park their own or visitor vehicles, but if you would like to request a 'No Parking off Roadways' sign you can do so [here](#). It may take some time for your request to be actioned by AT.
