### **Ed Sheeran concerts at Eden Park - send us your feedback!**

We are always keen to obtain feedback from our residents so we can improve for future events.

We'd love it if you could fill out this quick resident feedback survey following last weekend's Ed Sheeran concerts.

Your responses, along with data gathered from noise monitoring, traffic management staff and Auckland Transport, hotline calls and other feedback will be used to shape future concerts at Eden Park. We value your privacy and all responses are for internal use only. Street name but not street address is required to help us understand more about responses related to noise and waste.
