**Eden Park Lighting Replacement Programme**

Eden Park is currently in the process of replacing the stadium's sports lights with LED lighting to comply with lighting standards for the upcoming FIFA Women's World Cup Australia & New Zealand 2023.

As part of the lighting replacement programme, our contractors and lighting specialists will be carrying out commissioning activities next week, between 13-17 March, weather dependent.

You may see the stadium broadcast lights on after dark so the measurement and verification process can be completed.

If you require assistance during the activities, please call our 24-hour hotline on (09) 815 4820.
