The Hood - BLACKCAPS v Pakistan and Dream11 Super Smash on the main ground!

BLACKCAPS v Pakistan

Tomorrow we welcome Pakistan to Eden Park for the opening match of the T20 series. With Shadab Khan out injured, the PCB has announced Mohammad Rizwan as the vice-captain and he will be key to getting runs on the board. Captain Shaheen Shah Afridi and the rest of his unit will be bowling at a much more conventional batting lineup, with Kane Williamson and Devon Conway back, although Rachin Ravindra is being rested for this series.

We have a limited number of tickets available for The Hood. Tickets are limited to two per household in The Hood. Pop in to Eden Park reception from 8.00am on 12 January to secure your tickets. These are limited and available on a first-come, first-served basis. For all those who pick tickets up, we would encourage you to comment "Eden Park" on this [Instagram post](#). We hope you all agree that Eden Park is iconic enough to warrant its own Lego model.

[The traffic management plan can be viewed here](#), and if you have any parking related concerns please contact Auckland Transport on (09) 355 3553.

Dream11 Super Smash

Sunday will see the Aces and Hearts take on the Otago Volts and Sparks, in the first Super Smash fixture on the main oval since 2021. Tickets can be [purchased here](#), and first ball is at 12.30pm.

Eden Park breaks attendance records, hosting over one million guests during 2023

2023 was yet another record-breaking year for Eden Park with over one million people attending international and domestic cricket, rugby, league, and football games including a historic nine FIFA Women's World Cup fixtures, cultural festivals, concerts, community events, functions, and special occasions at New Zealand's national stadium. [Read the full release here](#).

Eden Park and Make-A-Wish Foundation join forces to fulfill dreams

Eden Park has partnered with Make A Wish New Zealand, an organisation dedicated to granting life-changing wishes for Kiwi children living with a critical illness. This collaboration aims to make a meaningful difference to the lives of children facing serious illness, by granting them a special wish. [Read the full release here.](#)
