Eden Park future leaders

We want to hear from young people who want to be part of formulating our vision for the coming years at Eden Park. This will involve in-person and online engagement, including meetings at Eden Park on event- and non-event days. You will have an opportunity to have your say on our vision for the future of New Zealand's national stadium.

If you're aged between 12 and 16 and would like to help shape the future of New Zealand's national stadium, please write to Nick, our CEO, at nsautner@edenpark.co.nz and let him know why you'd like to be part of this initiative.

Powerade G9

Back for its 6th year, the internationally recognised Powerade G9 golf tournament will take place between 7 – 9 December. Blair and his turf team will be transforming our hallowed turf into a unique nine-hole golf course, providing golf and sports enthusiasts the chance to win some great prizes including \$500k cash for the golfer who not only scores a birdie from the Donaldson Brown tee but then follows it up with a hole-in-one from the same spot. There's also a bonus 10th hole in the home changing rooms, which will challenge even the most accurate putters.

Tickets go on sale next week. With limited tee times available, we're encouraging players to go online and register for the pre-sale so they can

secure their booking before all the spots fill up. You can pre-register via this link: [POWERADE G9](#)

NZEA Awards

Last week, Eden Park had the honour of receiving the NZ Events Association Award for Best Music Event 2023, along with being recognised as the venue for RWC 2021 which won both Best Major/Mega Event and Best Sports Event categories.

This recognition is a true testament to the commitment and passion of Eden Park's efforts to provide over 100,000 Ed Sheeran fans an exceptional experience and the team were proud to be acknowledged amongst a high calibre of award finalists and in a room of over 300 representatives from New Zealand's event industry.
