## TRAFFIC MANAGEMENT PLAN (TMP) INFORMATION

### Parking Restrictions

Some areas around the stadium, including areas within the parking scheme, are reserved for traffic management. These are marked on the map and will be clearly signposted on event days. Parking restrictions will be enforced with tow trucks operating. Parking is available in surrounding streets not in use by the TMP.

### Road Closures

Residents and their visitors will have access through road closures at all times, unless it is unsafe to do so. For best access, please refer to the map above.

### Resident only parking (ROP) scheme

The ROP scheme will be in operation during which time only registered vehicles with a valid parking permit (either registered digitally with AT or a physical permit displayed on dash) will be able to park in the areas shaded (pink) above.

### How to get a parking permit

Residents can apply for a **permanent parking permit** through Auckland Transport:

- Online at [at.govt.nz/driving-parking/](https://at.govt.nz/driving-parking/)

If you need a **temporary permit** in the meantime, you can collect one at Eden Park Reception (Gate G) Monday - Friday 8am - 5pm, or on event day. Please note: you must bring evidence of address dated within the last two months.

Please keep your permit displayed in your vehicle to avoid being ticketed or towed.

### Towing

Even with a valid permit displayed, you will be towed if you park in restricted areas (i.e. mobility, no parking, authorised parking or coach parking zones). Tow trucks will be operating.

\* Please note, unannounced changes may need to be implemented on event day for public safety reasons.

**NEXT EVENT: SATURDAY 11 MAY | Blues v Hurricanes | Gates open: 3pm | Kick off: 4:35pm**
