Use Your Voice - Have Your Say

Submissions are now open for Eden Park's consent application to host up to 12 concerts per calendar year, featuring up to six different headline artists.

We encourage you to share your thoughts by [submitting your feedback to Auckland Council by 2 September](#).

The below points summarise our proposed application:

- Allow up to 12 concert events in a calendar year where these events are performed by up to a total of six different artists/acts, excluding support artists

- Provide for concert events on a Sunday
- Allow for a finish time of 11pm

The economic and social impact on our community and city from hosting these successful events is significant. Our proposed amendments will provide the stadium with greater flexibility to accommodate multiple shows from international tours.

If you have any questions or concerns about our concert consent, feel free to reach out to us at feedback@edenpark.co.nz

West Stand Upgrade

Work is continuing on our West Stand. You shouldn't notice anything different in and around the neighbourhood, but please get in touch with us at info@edenpark.co.nz if you have any questions or concerns.
