The Hood - Happy Holidays!

Happy Holidays & Shutdown

As Eden Park enters its Christmas shutdown, we reflect on an incredible year. We've hosted global music icons like Coldplay, P!NK, and Travis Scott, and

welcomed thousands of fans to major rugby, cricket, and football events, all while delivering exceptional experiences for our partners, charities, and internal gatherings.

Your continued support is vital to our success, and we're thankful for our incredible community. We're excited to create even more unforgettable memories together in 2025. Thank you!

We wish you a happy and safe holiday season!

Eden Park will close from 12pm Friday 20 December, and reopen at 9am Monday, 6 January. Our reception will be unmanned during this time, with the exception of event days.

Car Stickers

Just a reminder that our new car stickers are available for pick-up from our **reception**, located at **Gate G**.

You've told us that the phasing out of the AT "pink sticker" parking permit has meant delays passing through the managed access points on event days, so we have created our own pink Hood stickers to help our on-road team identify that you live in the Hood.

Please note, these stickers are issued by Eden Park and not Auckland Transport. They are not parking permits, which means **you will still need to have a digital or visitor parking permit for your car**. Resident parking permits and passes can be obtained via the AT website: [Eden Park Parking Permits](#). If you choose not to display a sticker on your car, you'll still be able to get in and out of the managed access point during an event as usual.

Each sticker is numbered, and you can get up to 4 stickers per household. When you pick them up, we will ask that you provide your name, address, phone number, and the vehicle registration number associated with each sticker for our records.

Please note:

These stickers will not be available for pick-up during our Christmas shutdown. The last chance to collect them before Christmas is tomorrow, Friday 20 December, between 9 am and 12 pm. Our reception will reopen at 9 am on Monday 6 January, and you can resume pick-up as usual.
