BLUES V FORCE

FRIDAY 2 MAY 2025

IMPORTANT INFORMATION

Parking Restrictions [5pm – 10pm]:

The streets surrounding Eden Park will be reserved for resident-only-parking and for vehicles displaying an approved visitor parking pass (please see below for more information). These roads are identified on the map and are clearly signposted on event day.

The parking restrictions will be enforced by Auckland Transport, with tow trucks operating between 5pm and 10pm. Please call our hotline on (09) 815 4820 if you have any concerns.

Parking is available in streets that are not within the resident-only-parking area.

Resident-Only Parking (ROP) Scheme [5pm – 10pm]:

The resident-only-parking (ROP) scheme is in place for residents who require on-street parking before, during, and after an event.

Between 5pm and 10pm on the day of the event, only vehicles with a valid parking permit (either registered digitally with AT or displaying a physical residents parking permit or approved visitor pass) are able to park on the streets in the areas identified on the map.

Please note, even with a valid resident-only parking permit or approved visitor pass, you may be towed if you choose to park in areas that are identified as no parking, mobility parking, or authorised parking.

Please refer to the TMP map for these areas.

How to get a parking permit:

- **Permanent Residents-only Parking Permit:** Residents can apply for a permanent parking permit from Auckland Transport using this link: <https://at.govt.nz/driving-parking/parking-permits/resident-parking-permits-coupons/eden-park-parking-permits>
- **Visitor Parking Pass:** if you have guests while we have an event on, they will require a temporary visitor-parking permit to park on the street. These can be collected from Eden Park Reception (Gate G) Monday – Friday 8am – 5pm or on an event day. These permits must be displayed in the vehicle. Please note you will need to bring proof of your address dated within the last two months.

If you have a physical parking permit please ensure it is visible in your vehicle to avoid being ticketed or towed.

Audio Testing:

Closed sound checks are scheduled to occur on event day. Once the times are confirmed we will update the FAQs on the Blue v Force event page on our website. Sound engineers will be on site on event day to ensure noise remains within the required levels.

Toilets & Rubbish Bins:

Additional rubbish bins and temporary toilet facilities will be placed within the stadium precinct. Clean up of the area will be undertaken during the show and the following morning.

Please note, changes to the Traffic Management Plan may be required on event day for public safety reasons.
