The Hood - Luke Combs this weekend!

Luke Combs - Friday 17 & Saturday 18 January

Country singer Luke Combs will be arriving at Eden Park this week!

We're offering up to **two reserve seated tickets per household** to the first Hood residents who collect them from **Gate G Reception** on the morning of **Friday 17 January 2025 at 8:30am**. There are an extremely limited number

available and they will be issued on a 'first in first served' basis. These tickets are a little something to show our appreciation for your ongoing support.

The [Traffic Management Plan](#) is now available online.

This details parking permits and the Resident Only Parking Scheme which will be in operation from 3pm on show days. Only vehicles with a valid parking permit (either registered digitally with AT or displaying a physical residents parking permit or approved visitor pass) are able to park on the streets in the areas.

Please note - managed access will be in place from 4pm on each event day.

Visitor Parking Pass: if you have guests during any of the events, they will require a temporary visitor-parking permit to park on the street. These can be collected from Eden Park Reception (Gate G) Monday – Friday 9am – 5pm or on an event day. These permits must be displayed in the vehicle. Please note you will need to bring proof of your address dated within the last two months.

We also wanted to let you know that **sound checks** will take place from today. The exact timings are yet to be confirmed; however, we have been advised they will take place during the following timeframes.

- Thursday 16 January: 6pm - 7pm
- Friday 17 January: 11am - 4pm
- Saturday 18 January: 12pm - 4pm

If you have any queries or concerns, reach out on the resident hotline - 09 815 4820.

The advertisement features two men standing in a grassy field. The man on the left is wearing a red and black work shirt, and the man on the right is wearing a red t-shirt and a hat. A golden retriever is sitting to the right of the men. In the background, there is a green and yellow skid steer loader. The text 'CAN WE MAKE YOUR JOB EASY?' is in a red box on the left, and 'KENNARDS HIRE' is in large white letters in the center. Below the image, there is a red banner with the text 'PROUD SPONSORS OF EDEN PARK' and the Kennards Hire logo. To the right of the logo is a black button with the text 'Explore our range'.

a home project, gearing up for an event, or in need of equipment, now's the perfect time to save while getting the job done right.

Car Stickers

With our reception back to usual hours, our car stickers are available again for pick-up.

You've told us that the phasing out of the AT "pink sticker" parking permit has meant delays passing through the managed access points on event days, so we have created our own pink Hood stickers to help our on-road team identify that you live in the Hood. Please note, these stickers are issued by Eden Park and not Auckland Transport. They are not parking permits, which means **you will still need to have a digital or visitor parking permit for your car**. Resident parking permits and passes can be obtained via the AT website: [Eden Park Parking Permits](#)

If you'd like one, they'll be available to pick up from our **Gate G reception between 9 am and 5 pm on weekdays**. Each household is eligible for up to 4 stickers. Each sticker is numbered, so when you pick them up, we will ask that you provide your name, address, phone number, and the vehicle registration number associated with each sticker for our records.

If you choose not to display a sticker on your car, that's perfectly fine, you'll still be able to get in and out of the managed access point during an event as usual.
