

# PLAYER BRIEFING

## BEFORE YOU ARRIVE

- Fancy dress is encouraged if you're keen to get into the G9 spirit, but it's not essential. Otherwise, keep it casual with comfortable clothing and footwear.
- Please ensure you bring sunscreen, as many of the holes are exposed to direct sunlight. Wearing a hat is also recommended.
- A storage area is available for bags and coats before you head out onto the course. Please see registration if required.

## ARRIVAL TO EDEN PARK

- The entrance for Powerade G9 is via Reimers Avenue at Gate G. Please follow signage to Car Park P5 for parking and drop-offs. If full, additional parking is available in the bus hub off Sandringham Road (see map).
- Enter Eden Park Reception at Gate G and take the lifts on your right to Level 4, where you will find the World Cup Lounge for registration.
- Arrive 40 minutes prior to your booking for your team allocation & briefing.

## YOUR ROUND AT POWERADE G9

- Clubs are provided at each hole, however, you are welcome to bring your own if you prefer (up to a 7 iron only). Gloves are optional and are not provided. **Please note, golf bags are not permitted.**
- A full round takes approximately 96 minutes to complete and is played in a shotgun format, meaning each hole tee's off at the same time.
- Each group will be assigned a hole ambassador, who will guide you between holes and record your scores.
- Every hole has at least one prize to be won. Your hole ambassador will let you know how to win. Keep an eye on our social pages for prize reveals - @EdenParkNZ
- You will have 5 minutes and 30 seconds to play each hole. Once your group has finished, you will have 3 minutes & 30 seconds to move to the next hole.
- Follow your hole ambassadors' directions and look out for wayfinding signage when moving between holes.
- Golden Balls can be purchased at registration prior to your round, giving you a second shot if your first doesn't go to plan. They can be used on all holes except bonus holes and the Donaldson Brown Hole.
- Restrooms will be available throughout the stadium.

## POST-ROUND ACTIVITIES

- The Jameson Clubhouse will be open throughout the event, offering a great selection of food and drinks. **Please note, commercially prepared food isn't permitted inside the venue.**
- You are welcome to enjoy the Clubhouse for as long as you like.
- We have a few bonus holes outside the main course, so you can keep swinging before or after your round.
- Check out the latest golf wear range at the LSKD Pro Shop.

T&C's apply to win prizes. Please check with your hole ambassador on how to win.

Contact [G9Golf@EdenPark.co.nz](mailto:G9Golf@EdenPark.co.nz) if you have any questions.

We can't wait to welcome you to Eden Park for another memorable day at New Zealand's national stadium. Good luck and happy golfing.

We'll see you soon at Powerade G9.
